# Urban Valley

Set in the idyllic location of Kappara, Urban Valley Resort & Spa intertwines with the natural reserve of “Wied Ghollieqa”. This picturesque area offers a peaceful and tranquil setting and is home to the popular prickly pears, carob trees, olive trees amongst other flora and fauna. At Urban Valley Resort & Spa we believe that a luxurious property should operate hand in hand with our environment, therefore we promote an environmentally responsible lifestyle throughout the Resort.

Our Resort is well connected to the rest of the island thanks to its central location and road network. Valletta and Sliema seem distant from the balcony views, yet can be reached within a 10 minute drive, making Urban Valley Resort & Spa the ideal spot to unwind after the hustle bustle of the city hubs.
