MEETING PLANNER

Welcome to **Urban Valley Resort & Spa**

The Urban Valley Resort & Spa is a four star superior resort situated in the urban town of Kappara, sitting just above the beautiful landscapes of 'Wied Ghollieqa' nature reserve. It's new design of modern urban luxury radiates a welcoming look and feel atmosphere.

If you are seeking a luxury property that takes your rest and relaxation seriously, you have found the right place. Set around 500sqm of natural surroundings, Urban Valley Resort boasts 121 rooms and suites, two restaurants, lounge bars, two tennis courts, two outdoor pools, an indoor pool, jacuzzi, sauna and steam room.

Bring your events alive with a building which goes beyond your expectations. Our emblematic conference centre is the perfect balance of beauty, functionality and versatility. The spectacular façade and entrance are ideal for showcasing your event, whilst the auditoria and seven meeting suites offer infinite versatility for all types of events, whatever their size.

Take advantage of the natural open spaces that compliment Urban Valley Resort & Spa and compliment your event with a team-building activity, perfect to stimulate the brain and bring people together.

THE NOTCH

Conference Centre

Whether it's a small corporate meeting, a gala banquet or intimate stand-up reception, choosing the perfect option is made easy with our range of venues.

The three-story building features a foyer, reception area and a multipurpose conference room on the ground floor, making it an ideal space for exhibitions or catering events. The conference room on the first floor can seat a total of 210 delegates, suitable for large meetings and opening or closing ceremonies with large audiences. The top floor offers a world of options and essential flexibility with our five break-out rooms.

Transformable and functional space is created by using adjustable soundproof panels, allowing you to create as much space as needed. Complement your event with the latest state of the art audio visual equipment and a dedicated high-speed internet connection. Raised adjustable flooring provide endless set-up options allowing you to be the mastermind behind the configuration of your event. On-site parking is also available providing a complete hassle-free experience.
